WORK EXPERIENCE

Roche Brothers Supermarkets | Boston, MA

June 2021-Present

Head Cashier

- Perform store opening, closing, and shift-change actions and keep accurate shift-change logs.
- Manage the front end with up to 25 employees and mentor new cashiers, providing comprehensive training that results in increased productivity.
- Handle escalating customer concerns with professionalism and empathy, working diligently toward satisfactory resolutions.

Trek10 | South Bend, Indiana

June 2025-July 2025

Cloud Engineer Intern

- Collaborated on a small Internet of Things (IoT) engineering team, resulting in cloud infrastructure development and solution design.
- Developed an in-house AWS FleetHub replacement, enhancing device monitoring and management capabilities.
- Mentored under a senior cloud engineer, gaining hands-on experience in AWS services, cloud architecture, and best practices.

LEADERSHIP EXPERIENCE

Association for Computing Machinery | Stonehill College

May 2025-Present

Club Co-President

- Led and planned bi-weekly chapter meetings to give members informational and networking opportunities.
- Coordinated and hosted guest speaker events with industry professionals and alumni, enhancing members' exposure to real-world experiences and career paths.
- Managed recruitment initiatives, growing membership to foster an inclusive, engaging community.
